Subject:— Fort Museum - Specimens of the East India Company Days in the Palace etc. - requested for display.

Respected Sir,

The Government of India have organised a new Museum, in the Fort St. George, Madras, known as the Fort Museum, with the specific object of collecting together, for public display, all the vestiges connected with the East India Company and the contemporary Indian rulers.

H.E. Lord Louis Mountbatten, the Governor General of the Indian Dominion, H.E. Sir Archibald Edward Nye, Governor of Madras, H.E. Dr. Henry F. Grady, American Ambassador in India, the Premier and other Ministers of this Province, graced the Museum and wished that it would soon grow to its natural stature as one of the important institutions in this Province.

Date 30/IV/(48)

Rt. Rev. Hollis, the Bishop of Madras has presented a very valuable set of silver articles belonging to St. Mary's Church. H.E. the Governor of Madras has presented a valuable set of East India Company China ware. The Local Government have transferred permanently a few weapons belonging to the period of East India Company. But there is much to be secured for our galleries by way of exhibits to make the Museum

sufficiently attractive.

We feel that the Maharaja's Palace has invaluable relics belonging to Hyder Ali and Tippu Sultan, which would have the right focus in a Museum like this. There might possibly be duplicate sets of East India Company Coins, or casts, medals, dresses, weapons etc. and we would deem it a great favour if you can use your good offices in requesting H.H. The Maharaja to make a present of them to the Museum. The Bangalore Museum might also happen to have some duplicates, which would go a great way to enrich our collections.

In this connection you can consult Mr. Narayana Iyengar, Curator, Government Museum, Bangalore, in the choice of the specimens.

I have the honour to be,
Sir,
Your most obedient servant,

G D Krishnaswami
